Honourable Sri C.Subramaniam, B.A.B.L., M.L.A.,
Minister for Finance,
Government of Madras.

Representations by the villagers of Kandavar,
Coondapoor Taluk, South Kanara District.

Respected Sir,

It gives us immense pleasure and joy to extend our hearty welcome on the occasion of your visit to our villa It is indeed very generous of you to have thought of visit this village. We are greately indebted to vou for the sam

Honourable Dr.Naganna Gowd ex-Minister for Agricultur Madras, was pleased to visit our village in February 1953. On that occasion, we made a humble representation to him, to move the Government to put up salt water exclusion dam at Muradakatte to afford irrigation fecilities for agriculturists of this village. We are glad that our representati is met with success and we feel proud to say that our popular Government have favourabley considered the same and the work connected with this scheme is in progress und the able guidance and supervision of the Engineering -- (Irrigation) department. It is indeed a pleasure to stat that Sri Jagannahh Shetty, Contractor has been taking speci care and paying particular attention to have the work execu ted in an excellant manner. We convey through you, Sir, our sincere and heartfelt thanks to Honourable Dr.Naganna Gowd and also to our Government for the good they have done in the interest and wellfare of the Agriculturists of this poor village.

Though our grievances are many and numerous we take this opportunity to place before you only one important grievance of ours viz., the upgrading of Coondapoor - Kandlur road via Basrur by taking over the same from - District Board, South Kanara by Government Highways Department. The said road being very narrow and not well maintained is unsuitable for vehicular traffic..

As this 7 miles road is a connecting link to Kandlur-Balehare road whichis under the Highways Department, it is needless for us to say that in a fitness of things that this road also may be taken up by the Highways Department so that there may be a continuous pacca road right from Coondapoor to Mysore State so as to facilitate easy communications and trade etc. We may add, Sir, that recently the District Board of South Kanara, has also passed a resolution at its meeting held on 12-1-1955 requesting the Government to take up the said road by the Highways Department.

We earnestly hope that our representations will receeive your kind consideration and necessary action.

We thank you, Sir, once again for your kind visit and we shall remember the same for ever.

Kandavar,
